## 65mm A4 + TAB, 2 D RING BINDER

### KEY

Red - Print  
Blue - Binder  
Green - Lining  
Purple - Rivet  
position

### Print Size - 348x708mm

*All print and lamination MUST bleed at least 10mm off of all edges.*  
This allows 19mm for turn over on all edges.

Binder Size - 310x670mm

Lining Size - 300x660mm

*All printed linings MUST bleed at least 10mm off of all edges.*

Spine is centred and creased to 98mm.

The rivet locations are 93mm up from base and down from top, and 45mm in from centre of crease. Please leave a 15mm circumference around this area, this will ensure that rivets will not impose on any important text or images.

This specification is for a one piece case binder only.

The paper required is a minimum of 135gsm upto 150gsm matt art paper with matt or gloss lamination. Please note matt laminated paper is liable to scratch or scuff easily, particularly on dark colours.

**All print and lamination MUST bleed at least 10mm off of all edges.**
