65mm A4 + TAB, 4 D RING BINDER

KEY

Red - Print
Blue - Binder
Green - Lining
Purple - Rivet
position

Print Size - 348x708mm

All print and lamination **MUST** bleed at least 10mm off of all edges.
This allows 19mm for turn over on all edges.

Binder Size - 310x670mm

Lining Size - 300x660mm

All printed linings **MUST** bleed at least 10mm off of all edges.

Spine is centred and creased to 98mm.

The rivet locations are 10mm up from base and down from top, and 45mm in from centre of crease. Please leave a 15mm circumference around this area, this will ensure that rivets will not impose on any important text or images.

This specification is for a one piece case binder only.

The paper required is a minimum of 135gsm upto 150gsm matt art paper with matt or gloss lamination. Please note matt laminated paper is liable to scratch or scuff easily, particularly on dark colours.

All print and lamination MUST bleed at least 10mm off of all edges.
